# Instructions for completing Michigan Sales and Use Tax Certificate of Exemption (Form 3372)

**Purchasers** may use this form to claim exemption from Michigan sales and use tax on qualified transactions. It is the Purchaser's responsibility to ensure the eligibility of the exemption being claimed. All claims are subject to audit. Non-qualified transactions are subject to tax, statutory penalty and interest.

Sellers are required to maintain records, paper or electronic, of completed exemption certificates for a period of four years. Michigan does not issue "tax exempt numbers" and a seller may not rely on a number for substitution of an exemption certificate. Other documentation that sellers in the State of Michigan may accept are the Uniform Sales and Use Tax Certificate approved by the Multistate Tax Commission, the Streamlined Sales and Use Tax Agreement Certificate of Exemption, the same information in another format from the purchaser, or resale or exemption certificates or other written evidence of exemption authorized by another state or country.

Place a check in the box that describes how you will use this certificate.
